## OPEN LETTER TO OUR BROTHERS AND SISTERS OF "THE GREATEST GENERATION"

Dear Brothers and Sisters,

**N**BC-TV Anchorman, Tom Brokaw, in his book, *The Greatest Generation*, cites the tremendous accomplishments of the generation that includes our members of nearly 70 years of age and older. Those laudable accomplishments were made in the face of near overwhelming adversity, and set the foundation that led to the world of today. Mr. Brokaw centered his book on America, but the well-earned title of "*The Greatest Generation*" cannot be restricted only to those people of your age inside the borders of the United States. All those calamitous events affecting our lives in the past were not limited by national boundaries, and neither were the efforts that overcame so many dramatic changes, and so many monumental problems. We must therefore include our older members from Canada, and many other nations, under this honorable title. You have earned it!

Your younger Brothers and Sisters would never take away from the claim that yours is the Greatest Generation. Many of us are your sons and daughters, and your grandchildren. We know what you have done! Your accomplishments are in our minds and hearts, and in the book! They are fact, and while we would like to do so, they are too numerous to list here. We honor you greatly for what you have given to the world, and to all the generations who will follow you.

Much has been asked of you throughout your lives and you accepted each challenge as they came. Now, and my Brothers and Sisters, we must ask of you – one more time – to again step into the breach and show the mettle that earned you this most honored title. We must ask you to step up to your **FINEST HOUR** for our great Order, and help us move Odd Fellowship into that glorious future that you made possible through your past accomplishments. We must ask for your whole-hearted support in *halting the decline* in our membership numbers and in *generating growth* both in our numbers and in our practices of the principles of Odd Fellowship.

Please note the key words "your whole-hearted support." We are not necessarily asking you to hit the bricks and find suitable candidates for membership. However, your continued assistance in asking others of every age group to join us is still necessary and fully appreciated. And, bringing other men and women of "*The Greatest Generation*" into our Lodges would also benefit us greatly. They, and their children and grandchildren, as you have, could become valuable members of our Order.

We are asking you to insist that all members live up to the standards of our Order; returning them to that high level you learned when you first became a member.

We are asking that you to insist that our younger generation be intensely active in finding and recruiting (asking) high quality candidates for membership.

We are asking that you take the initiative to teach, to demonstrate, and to lead us in rebuilding the beauty and dignity of degree work to the level that we know you are still capable of performing.

We are asking that you, by both precept and example, show our younger generations the value of active participation in activities and events, not only within the lodge, but also at every level of the Order – especially the value we can all gain by their active participation in the annual sessions of our Grand Bodies.

We are asking that you take the initiative in teaching the younger members the laws, rules and regulations of our Order, in showing how they establish a commonly understood playing field for every

member, and in insisting that they be followed for the good of the Order.

We are asking that you be the burr under the saddle of our younger generations; be the motivators, teachers, demonstrators, encouragers, cheerleaders, and the Odd Fellowship conscience of your younger Brothers and Sisters.

Yes, we are asking much of you. You have been to the well – "been there, done that" – many times. We understand that, and we appreciate that. Yet, we are still asking you to please reach deeply, and give us the benefit of your life's experiences one more time as we turn toward a growth in membership numbers, and growth in the practice of the principles of our Order.

When, through the success stimulated by your "whole-hearted support," we can claim **1** new member in every Unit of Order we will be on our way to a greater future. **Never underestimate the Power of 1.** That **1** new member in every Unit can be the **1** who will generate greater growth and may well be the **1** to lead us in **CARRYING THE TORCH OF ODD FELLOWSHIP** well into the middle of the next century.

My Brothers and Sisters, **THE FUTURE IS NOW! LET US BEGIN!** Please give us that "whole-hearted support" we so desperately need. It is said, "a different world cannot be built by indifferent people." We have all, at every age level, shown indifference to our declining membership for much too long! Show us the lessons that you learned from your experiences how commitment can overcome indifference.

*Sincerely in F.L. & T.,  
Rob Robbins, Chairman  
SGL-IARA Membership 2001 Committee*

### CHANGE OF ADDRESS

**N**o, I haven't moved but 911 has given house numbers that we must use. Therefore, beginning November 1, 1999, our address will be 1200 Railroad Avenue, Julian, PA 16844.

Thanks for changing this in your address book.

### OUR SINCERE THANKS

To all our Odd-Fellow and Rebekah Sisters and Brothers,

**T**hanks to all for the cards and the concerns for our Grandson and his bout with cancer. He is back in the Hospital again (12/8/99), for another chemo treatment. He is tentatively scheduled for an operation after the first of the year. We are hoping for the best but the Doctor says there is still the possibility that he will lose the lower part of his right leg. Irene is coming along a little better every day since your five days in the hospital with pneumonia. Her doctor told her to stay in until he sees her on the seventeenth. She is gaining a little more strength every day. Thanks again for your get well cards and cheery messages, and especially for the prayers for all.

November 12, 1999

Dear Mr. Dorchester,

I want to take this opportunity to thank you for the five hundred dollar scholarship that was awarded to me through the Pennsylvania Odd Fellow-Rebekah Education Fund. The scholarship was of great help to my financial needs for books and other expenditures during the first semester of college. With the rising costs to attend college it greatly helps students like myself to make the dream come true of attending college. It was very gracious and kind.

I have been keeping very busy attending classes at Slippery Rock University and working at the university library. Both activities take up much of my time and seem to make the days go faster. Finals are drawing nearer marking the end to the first semester.

I would also like to not only thank the committee who selected me for the scholarship but also all of the Odd Fellows and Rebekah's throughout Pennsylvania.

Sincerely,  
Beth M. Walters

TO: All Grand Secretaries and Assembly Secretaries  
Jurisdictional Grand Bodies  
Independent Order of Odd Fellows

Please find enclosed a copy of the requirements for nominees and an application form for the Hugh Bradley Distinguished Service Award.

Our committee again would appreciate your assistance in getting out the information about this prestigious award and to make application forms.

Also enclosed is a registration form for the "Vision 2000" visit to the Wilmer Eye Institute of Johns Hopkins University in Baltimore the same weekend as the annual Pilgrimage to the Tomb of the Unknowns at Arlington Cemetery. We have had many requests to sponsor this tour again after the members who went on the 1997 tour found it so interesting and educational. Many of our members don't realize how fortunate we are to have a research chair in ophthalmology at this prestigious institution. Learning first-hand from the staff there about the progress being made in preservation of sight is the wonderful opportunity this tour provides.

We ask your assistance in getting the word out in your respective jurisdiction and thank you in advance for your cooperation.

Sincerely and Fraternally,  
Germaine Switzer  
Executive Secretary

## A LOOK INTO 2000

To start off the new millennium, the I.O.O.F. Jurisdictional Committee selected the next state-wide project to help those with arthritis. As you are all aware we presented the microscope to the Department of Rheumatology at Hershey Medical Center, located in the Arthritis Foundation Central Chapter's area, for research into a cure for arthritis at the 1999 Unified Session.

We considered several project suggestions and have decided to fund sessions of the **People with Arthritis Can Exercise (PACE) Program** for the Western Chapter. This program and the acronym (PACE) were established by the National Arthritis Foundation and are used across the country as the name for the land exercise program. This exercise program uses gentle activities to help increase joint flexibility and range of motion and to help maintain muscle strength. The classes are usually one hour long, are conducted one to three times a week and the series usually lasts eight weeks. The size of the class is limited to 10 to 20 people to allow

the instructor to closely supervise the activities and evaluate the participants. The first installment of the PA I.O.O.F. Jurisdictional Arthritis Committee's grant will be used to conduct the **People with Arthritis Can Exercise** program series at three High-rise residences in the Pittsburgh area – Kelly Street High-rise in Homewood Brushton, Pressley High-rise on the North side of Pittsburgh and Gualtieri Manor in the Beechview area. The Odd Fellows and Rebekahs will be listed as a sponsor in the brochures and promotional material for the programs.

The Committee felt this program will benefit those with arthritis and would also promote Odd Fellowship as the promotional material is distributed. We will be looking to our membership for support as we launch our fundraising for this project commitment.

The Arthritis Foundation Chapters have educational programs running throughout the year. If you have any questions, please contact the Chapters directly.

### BECKY'S BACKYARD

1. To remove wrinkles from plastic flannel type tablecloth, put the tablecloth in the dryer (on a low-heat setting) with a couple of damp towels. Check the tablecloth frequently until all the wrinkles are gone. Let the tablecloth lie flat to cool to avoid more wrinkles. You can also remove wrinkles by ironing (on a warm setting) with a steam iron on the flannel side – do not iron the vinyl side!
2. Ladies, do you have difficulty remembering the color makeup you buy! Remove the sticker from the bottle or tube that includes the brand and color and stick it to a mirror in your cosmetics bag; or put the stickers on an index card and put it in your wallet.
3. When the metal spout on the dishwasher-detergent box is hard to open, place a small bobby pin over the spout as a handle to put the spout open.
4. To clean up broken glass! After picking up the big pieces, vacuum the area and then take wide, silver tape and pat the whole area. Press hard on the tape. After pick up all your can and you see something sparkle, use the tape procedure again. Very soon you will have a glass free carpet or area where the glass was broken.
5. To remove odor from a refrigerator, place a bowl of catbox filler in it and close the door for a couple of days. This also works in a musty clothes closet.
6. Keep copies of wallet contents. Make copies of everything in your wallet to make it easier to replace all items if the wallet is lost or stolen. When traveling put them in the bottom of your suitcase, or somewhere other than your purse. You have a record of what papers are to be replaced, plane tickets, credit cards, etc.

## CONSOLIDATED BUTTERFLIES

Hello Rebekah Sisters,

As a "consolidated butterfly," I must give you all some news from this side of the bushes, or trees whichever you prefer. There was activity at a furious rate to which I witnessed from the shoulders of the pictured Rebekahs. Installation – they called it. First there were the practices which had much stumbling about. By the last one, they knew exactly where to stand, what to say and when to move. Second, I was replicated into many more pieces to adorn eight Sisters and to give away at two well attended Installation Ceremonies at Lady Canton #362 and Wysox #443. There, too, I say much Courtesy, Grace, Laughter and Affection given to my "wearers." AND the food – I could get really eloquent here: human food has that variety. We butterflies have our own menu, y'know.

The Ritualistic beauty of the Sisters' activities is truly Inspiring and Up-lifting. Now I must find a warm Winter's crack or Migrate to warmer climes. First-just a note – DDP Jean Monroe's Officers are the following: Jackie McMann Marshal (replacement for Cleo Gates-heart surgery); Peg Billingsley, Warden, and Chaplain; Pauline Calkins, Secretary; Fay Morgan, Treasurer; Betty Kendall, Musician; Eveline Boyer, Inside Guardian and Myrtle Mott, Outside Guardian.

Becky Angel – Come Spring, you and Auntie Lou, Pat Kriner, her Officers, Lady Lawrence Lodge are welcome to Troy Golden Star #462 – Second and Fourth Thurs. at 1:30 PM.

Remember – Go for the Blue and White  
RA President's colors bright!
