MEMORIAL DAY

We walk among the crosses
Where our fallen soldiers lay.
And listened to the bugle
As TAPS began to play.
The Chaplain led a prayer
We stood with heads bowed low.
And I thought of fallen comrades
I had known so long ago.
They came from every city
Across this fertile land.
That we might live in freedom.
They lie here 'neath the sand.
I felt a little guilty
My sacrifice was small.
I only lost a little time
But these men lost their all.
Now the services are over
For this Memorial Day.
The names upon these crosses
I just want to day.
Thanks for what you've given
No one could ask for more.
May you rest with God in heaven
From now through evermore.

- C.W. Johnson

MOTHER

When the night is gone and the
 morning shines

I look at you with special eyes.

I see your face which always smiles

I hear your voice which never dies

I feel your hair which always flies

Across my cheeks, across my eyes

I feel your hand which always dries

My happy tears and my sad cries.

MID ATLANTIC STATES CONCLAVE NIAGARA FALLS, NEW YORK

► Continued from page 1

Friday was held the presentation of the Jurisdictional flags which was done by our Grand Master, Arthur R. Moyer, and our Rebekah Assembly Warden, Mary J. Landes. Following that banquet was a shotgun wedding performed by the New York Odd Fellows and Rebekahs. Saturday held the annual Conclave meeting where a variety of topics were discussed. DSGM Rennigner and Rosalie Ward gave great speeches on membership, pointing out various video clips that are available on the Sovereign Grand Lodge website (www.ioof.org). Our very own Marcia L. LaVan, PPRA, then got installed as President of the Mid Atlantic States Conclave for a one year term... oh God!!! Following that were the drill and skits performed by various Jurisdictions including fantastic footwork by the Pennsylvania 5 Drill team! Great Job! The conclave is a great

Marcia Levan PPRA being installed as Conclave Pres. for the coming year

way to get to know your neighbors. It was sad to see only 6 performances on Saturday. If any Lodge or group of people want to perform a skit or drill, the more the merrier! Next years conclave will be hosted by Washington D.C., but held in Maryland. Details will be to follow

in the upcoming months. 2014 will be proudly hosted by Pennsylvania and we are looking for volunteers to help with this and if you are interested in marching, the Pennsylvania 5 Drill Team is always looking for help! Contact Carolyn Barger for more information.

FROM THE DESK OF THE ACTING GRAND SECRETARY

Dear Brothers and Sisters,

You can tell we are out of "winter", lots of activities planned for the coming month. Plan on attending and supporting the Annual Pilgrimage to the Tomb. As been stated in the past, if the support continues to dwindle, it is very possible the Army will take this away from us. Also, we have a Rally coming the 19th in Allentown. It has been quite some time since we have four different Degree Teams to confer the Degrees. We have been getting too use to the DVD's. While they are helpful, there certainly is nothing better than seeing them portrayed in person. Don't forget, the deadline will be approaching for our upcoming Session. Please refer to last months issue for those details.

I hope all Lodges are busy making some social plans for the upcoming summer. Without them you will certainly decline. Efforts must be made to keeps your members together and working.

For the magazine, hopefully you have received this issue in a more timely matter. The Representatives this year have much to think about regarding its publication. Grand Lodge appropriated \$25,000.00 out of our Per Capita and we closed the year with a \$17,000.00 deficit. That was a total 42,000.00 for 12 issues per member. Somewhere something must be changed. So I ask you as a member discuss this in your Lodge, make your representative aware, and send him or her with ideas for when this comes to the floor.

In closing, I would like to wish all "MOTHERS" out there a very Happy Mothers Day, especially to my "Mom" Reta, and the wonderful mother to my children, Laura. To all our readers, as you enjoy the Memorial Day weekend with picnics and festivities, pause, and take time to REMEMBER THOSE who made the ultimate sacrifice for us to be able to enjoy a festive weekend.

In FL&T,

Charles H Bailey, Acting Grand Secretary

playing for weddings. He joined Wills Grange in 1955 at played in talent contests until 2010.

He joined the Independent Order of Oddfellows and became the musician and then played for Grand Lodge Independent Order of Oddfellows.

He played for the Kingwood Church of God on Mother's Day. He's played music at Somerset Towers since 2002.

Lambert became the assistant organist for St. Paul's in 2005.

Please fill it out if you are intending on having candidates going through the degrees. There is an elevator to the Lodge room, however, you must go in the side of the building in which there are roughly dozen steps down. There will be Lodge members at the steps to help anyone who needs it! If you would like to help with any degrees, some of the teams do need a position filled. Email or call me and I'll get you set up with

TRIBUTE TO BILL LOCKE FROM WALKER LODGE NO. 306

"Many are called but few are chosen," and we at Walker Lodge are extremely happy that Brother Bill Locke was both called and chosen to be our Grand Lodge Secretary and an Associate Member to Walker Lodge. During Bill's years in office, one could always be greeted with a cheerful hello when a call was placed to the Grand Lodge office. Bill's support to various Grand Masters at Walker's degree rallies and/or support of a Grand Master's official visit are acknowledged by the various pictures included in this article and are a tribute to his dedicated involvement in Odd Fellowship. In addition, as an associate member, Bill and his wife Laura were frequent participant to many of the activities at Walker - be it celebrating

Christmas or celebrating Walker's 160th Anniversary and other occasions. Bill even went the extra mile when he brought candidate Elwood Krodel Jr. from Triune Lodge in Middletown Pennsylvania for the Initiatory Degree at Walker on a Monday meeting.

He was a delightful man, who always had a smile and an easy manner. He enjoyed life and was kind to all. I am glad he passed our way on life's journey. What a blessing it has been to have known him as a true friend and Brother. We send our condolences and prayers to Bill's family.

AWARD

The Arthritis Foundation Eastern PA Chapter held its annual "Volunteers are FAN-tastic" breakfast on Saturday, March 24th at the Crowne Plaza in King of Prussia. If you remember several years ago, the award to recognize the individual, group or corporation that has done the most to help fund the activities of the Chapter was renamed the Independent Order of Odd Fellows Community Development Award. This year the award was presented to The Rothman Institute. The IOOF was awarded a Corporate Philanthropy award in recognition of our contributions. We saw several of the campers and their families at the breakfast and each was very thankful of our efforts for Camp JRA. They look forward to camp each year and feel it is a very worthwhile for them.

As usual, the three State Chapters are beginning to plan their spring activities. We hope you will take this opportunity to call the Chapter office nearest you and volunteer your assistance. The Jingle Bell Runs were held throughout the State in December and the Walks are being scheduled now for Spring. Volunteer or participate. They're great fun.

ALOHA TO ALL IOOF MEMBERS FROM HAWAII

We visited Oahu, HI for 9 days prior to boarding our ship to cruise around the other islands of Maui, 2 ports on the Big Island of Hawaii and Kauai before boarding our plane home. We were met at the airport on our arrival by Shirley Streck, an IOOF member that we have made friends with during the UN Pilgrimage tours over the last few years. She has been the "Mom" on several buses and also brings some delegates from Hawaii with her. She kept us quite busy showing us the sights before she had to come over to Baton Rouge, LA to prepare for their Session. The enclosed pictures show Charles and Shirley at a look-out point over the Pacific Ocean, right

after our arrival. We also went to the Punch Bowl Cemetery and in addition to visiting the grave of Jane's uncle, Donald Lurwick, who was killed in the Battle of Guam, we saw the IOOF plaque placed in 2005 recognizing our members and all the others who were killed during WWII. It was a very moving visit. We also visited one of the Lodge Halls on Oahu, where Shirley and Richard Kim, PSGM are members. We are very appreciative of her time during our visit and thankful to have made her association. We also bring you her Aloha greetings from the Fiftieth State, Hawaii.

PHILADELPHIA HOME FOR ORPHANS MEETING IMPORTANT TIMELY READING

The Philadelphia Home for Orphans held their annual dinner meeting on Saturday March 10, 2012 at Williamsons Restaurant in Horsham, PA. After dinner, President Craig Reinhart extended a warm welcome to all in attendance, especially to Kristin Smedley and her family. Kristin, the guest speaker, gave a presentation on the CRB1 Fund for curing retinal blindness which afflicts her two sons, Michael (12) and Mitchell (8). Opening prayer was offered by Nevin W. Adams and everyone participated in the Pledge of allegiance to the Flag and singing of the National Anthem accompanied by Michael Smedley's music from his keyboard. Robert Raffensberger asked permission to place raffle tickets on the tables, they are \$1.00 for one and 6 for \$5.00, and the proceeds will be donated to Camp JRA Drawings for all the prizes will be held at the Unified Sessions in June.

Kristin Smedley, the guest speaker for the evening, spoke on her family's fund raiser project - the CRB1 Fund for curing retinal blindness. The mission of the CRB1 Fund is to raise necessary funds to cure the degenerative retinal disease that Kristin's sons, Michael and Mitchell, are affected by. The CRB1 Fund is one of the many charities the Orphanage sponsors and has pledged to sponsor until a cure is found through "gene replacement therapy". Kristin thanked the orphanage for their support and the invitation to come and speak to the group. She also gave thanks for the Orphanage sponsoring a table of eight at the 52nd ASB

Michael reading with braille recorder

Lewis Braille Awards for the blind where her son's were being honored for their fund raising event called "Bike the Basin" which raised over \$22,000. Pictured below is a table which includes the boys Braille teachers, school teachers and principal. At one point, Michael read to the audience using a Braille recorder and gave slide overview of the ASB Award ceremony which included a video of Merrill Reese (the Philadelphia Eagles radio announcer) who introduced the boys at the ceremony.

During Kristin's audio/visual PowerPoint presentation, she gave a brief background on her sons' blindness and how through gene replacement research a cure can be found. She gave very interesting insight of the current activities in curing blindness including that of research on gene replacement. Kristin stated the CRB1 fund is a non-profit group of families in the United States and one in Germany who have children afflicted with the deficient CRB1 gene.

The CRB1 Fund will fund "leading edge research" toward the goal of a cure for her sons' blindness and others afflicted with the similar deficiency of the CRB1 gene. With timely funding, gene replacement therapy will be developed for the CRB1 gene mutation of Leber's Congenital Amaurosis (LCA.) - the medical term for the boy's affliction. It should be noted, ***Time is of the essence!*** Reports from doctors at the University of Pennsylvania indicate the younger the patient receiving gene therapy, the better the result. This is

Kristin Smedley addressing group

mentioned because the "cones and rods" in the eye are dying off and in need of establishing connectivity to the brain to function properly. Basically, the situation is this, the eye can pick up the image but the deficient CRB1 gene is interfering with the ability for the cones and rods to forward the image to the brain.

As an order of magnitude Kristin stated the CRB1 Fund needs to raise just shy of three million dollars to fund the process for gene

replacement therapy stages of: (1) research, (2) FDA approval and (3) clinical trials. Kristin mentioned she found a group in the Netherlands (with limited resources) who started research on the CRB1 gene several years ago and could use additional funding to speed up research. The CRB1 Fund is considering donating to this group because of their present advancement in CRB1 gene research. Kristin also mentioned there is possible partnering with a national organization, "The Foundation Fighting Blindness" who expressed interest in collaborating to support the research. In

addition, Kristin has the attention of a group in Washington DC who could help with the FDA approval process in a timely manner in order to conduct clinical trials in the United States.

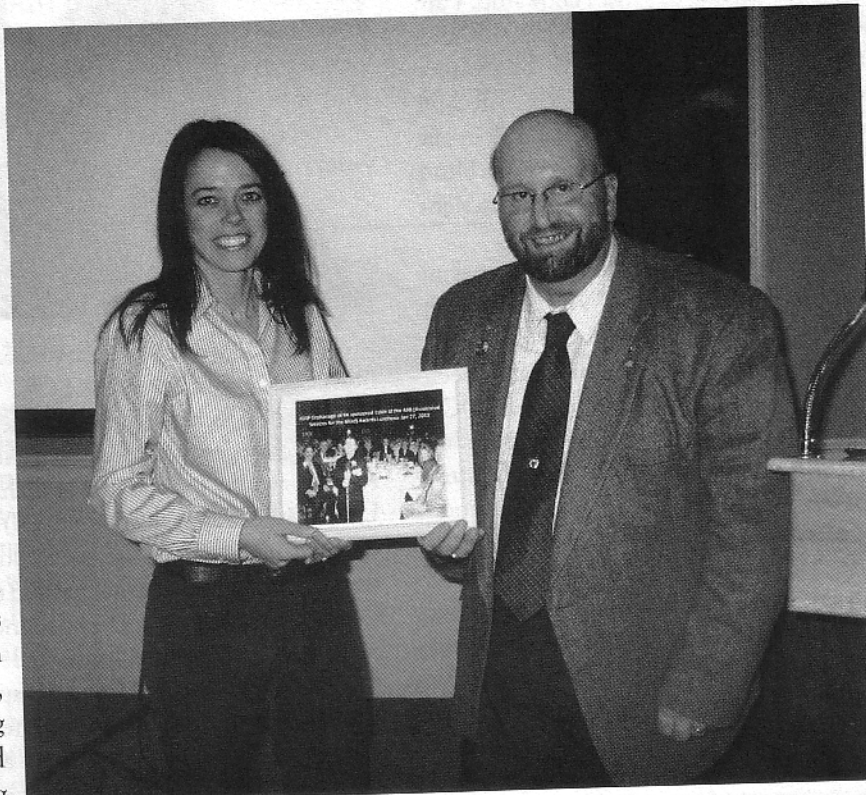

In closing, Kristin stated: "words cannot express our gratitude to you all for embracing our family, participating in our dream, and giving us one of the best gifts of all: Hope. The CRB1 Fund Curing Retinal Blindness is so grateful to the IOOF Orphanage for their donations. We know that this incredible organization supports many causes, and we are so humbled that you have given us this amazing support toward our mission to Cure Retinal Blindness. Although the boys have only 10% of the vision that other people have, they live an incredible life and are ready to live a sighted life. We are forever grateful that you have helped them get closer to achieving that dream. We encourage you to keep up to date on our progress at www.crb1.org. Your members and families will be in our prayers of thanks that you all are in our lives."

President Reinhart remarked that Kristin did a remarkable presentation, and hopefully with donations and research this

will not take three years to help her sons. President Craig Reinhart continued the meeting and heard reports from Art Weiler (the Trustees report and the Education Committee Report); Nevin Adams (United Nations Pilgrimage); Nancy Strausser on the Sunshine Committee - cards were passed for signatures to be sent to the sick including Laura Locke to express sincere condolences upon the death of her husband Bill Locke - The Secretary of the Grand Lodge of Pennsylvania.

It was also reported that Clifford Snyder passed away. He was a long time Orphanage board member.

Under Good of the Order, Charlie Shorten motioned that we donate \$1,000 to Alex's Lemon Aid Stand (a national fund that supports cancer for children.) This was approved and placed into the budget by Peter Uhniat as a one-time donation. Also under Good of the Order, Bob Smedley spoke about his email to Grand Master (GM)

Kristin with Board Pres. Reinhart

Art Moyer stating that given Visual Research is one of the GM's programs, and given that the GM usually sends a communication proclaiming the month of May as "Visual Research Month" he requested that the GM consider including The CRB1 Fund as one of the recipients of donations from all lodges in the jurisdiction of Pennsylvania. Given Odd Fellowship has been a regular contributor to Visual Research in general, there is an excellent opportunity for Odd Fellowship to be on the forefront of donations specifically to The CRB1 Fund - Curing Retinal Blindness. Bob further mentioned that with limited coverage in our Order thus far, donations from lodges in his district (District #3), Perseverance Encampment #135, The IOOF Orphanage of Eastern PA and Brady Lodge (where his Brother Bill Smedley is the Secretary), the CRB1 Fund has raised over \$24,000, with promises of ongoing donations until a cure is found. Bob mentioned that he is looking forward to the time when his two Grandsons would be able to see Niagara Falls while on the UN trip. In closing, President Craig Reinhart asked Nevin Adams to offer a closing prayer.

Bob Smedley - IOOF Orphanage Director

THE CRB1 FUND FOR FIGHTING RETINAL BLINDNESS YOUR HELP IS NEEDED

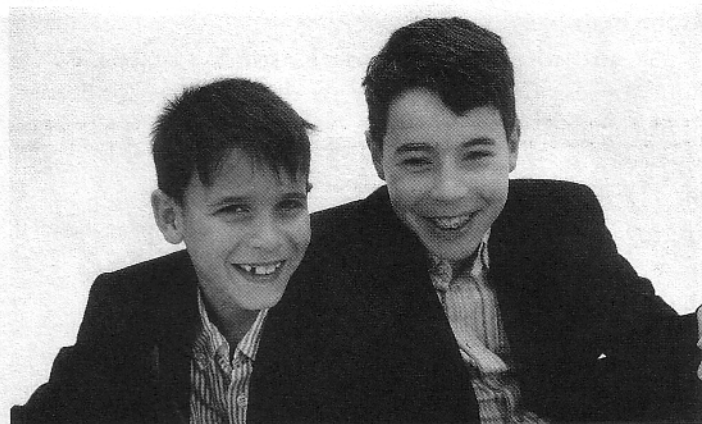

Please direct some "Visual Research" donations
to the CRB1 Fund

To all Brothers, Sisters and friends of Odd Fellowship, I am Bob Smedley, a 45 year member in Walker Lodge No. 306 in a family that has been in Odd Fellowship well over the century mark. There is a situation in our Order that needs to be brought to your attention for help. Kristin Smedley, my Daughter-in-law and my Son Michael (also a member of the Order) have two blind sons of their three children – the third being a girl with no sight problem.

In this May 2012 issue of the Odd Fellow & Rebekah Magazine, the Grand Master signed the annual "Visual Research Proclamation" requesting donations go to: (1) PA Special Visual Fund – This is used to assist PA members and families who need assistance in the purchase of glasses or for examinations; (2) IOOF Visual Research Fund – 10% of the contributions are forwarded to the SGL. The balance is distributed by the Joint Committee to various Eye-Banks throughout PA; and (3) The CRB-1 Fund - Goes towards Curing Retinal Blindness through gene replacement research – which is GM Moyer's Special Project.

Given Odd Fellowship has been a regular contributor to Visual Research, there is an excellent opportunity for Odd Fellowship to be on the forefront of donations to The CRB1 Fund – Curing Retinal Blindness. This fund will provide "leading edge gene replacement research" toward the goal of a cure for my grandson's blindness and others afflicted with the similar deficiency of the CRB1 gene. By your contributions, Odd Fellowship could become a major advocate in seeking the cure this retinal deficiency.

Here's some background on The CRB1 Fund – Curing Retinal Blindness. Twelve years ago the doctors at the University of Penn and Children's Hospital of Philadelphia (CHOP) gave us the shock of a lifetime when they told us Michael was blind. We were told he had Leber's Congenital Amaurosis (LCA), the most severe form of Retinitis Pigmentosa. They told us our baby could not see. He would never play baseball. He would never read regular print. He would never drive a car. Kristin and Michael were devastated but were lucky to have friends and family to comfort them. They never imagined they'd need more support, when four years later, they got the second shock of a lifetime when they were told Mitchell, their second child, was also blind. In the years since, their family, friends, neighbors and their incredible community, have wrapped their love around Michael (12) and Mitchell (8) and helped lift our family up out of sadness and into greatness. The doctors told us there was some hope that, in 50 years, the medical research may be advanced enough to cure this cause of blindness. We prayed it would accelerate. Kristin searched for doctors all over the world that could help us faster. No one was able to help, so they spent the majority of their time fully accepting blindness and getting on with raising three incredible

kids. But they still read every research paper, every website, and every article that related to LCA.

Recently, technology has advanced enough to finally determine the defective gene that is causing the boys' LCA blindness: CRB1. As luck would have it, around that same time doctors at The University of Pennsylvania (PENN) developed a gene replacement therapy for a different LCA gene. Due to their success, Kristin asked the large organizations that funded that project if they would fund research on our gene. They declined and were left discouraged. And then they found a miracle: Several months ago they called the boys' doctor at Children's Hospital of Philadelphia (CHOP) and asked that if WE provided the money, could he assemble a team to heavily research our gene and develop a therapy for our boys. He said yes! Dr. Eric Pierce and Dr. Jean Bennett (PENN) have agreed to replace the boys' gene that is defective with a new perfect one. With our family funding, gene replacement therapy will be developed for the CRB1 gene mutation of LCA.

Kristin found other families in the United States (and one in Germany) with kids having a defective CRB1 gene and engaged their support and that of a non-profit foundation to manage charitable fundraising efforts of collecting donations for the costly undertaking and time involved process for gene replacement therapy stages of: (1) research, (2) FDA approval and (3) clinical trials. Thus "The CRB1 Fund - Curing Retinal Blindness" was established to receive donations to develop gene replacement of a defective CRB1 gene which my two grandsons and other families' children have. Given this potential cure, we need donations – a lot of them. Right now, our group is working to fund the three major components of gene replacement therapy (1) research, (2) FDA approval and (3) clinical trials at a total cost of well over three million dollars. The reality is that if we raise the money quickly, clinical trials could be just 5 years away. Michael would be in 11th grade and Mitchell in 8th.

Kristin Smedley is a very pro-active individual and as such is very aware, through her medical contacts, that no other institution in the United States is performing or plans to perform Gene Therapy Research on the CRB-1 gene at this time. In fact, she

was informed that research at The Wilmer Eye Institute is already years behind Penn and might take years to ramp up to where Penn is presently with gene research.

To substantiate, I contacted Dr. Henry D. Jampel Wilmer M.D., M.H.S., Independent Order of Odd Fellows Professor of Ophthalmology, Wilmer Ophthalmological Institute, at Johns Hopkins Hospital and stated we are interested to know if the Wilmer Eye Institute has a plan to develop clinical trials for gene replacement therapy for the CRB1 gene mutation of LCA and if so, what the timeline is for this. If you have no current plans, would Wilmer be able to contribute toward funding in a cure."

I received a response from Dr. Hendrik Scholl, MD MA, Visiting Professor of Ophthalmology, Wilmer Eye Institute. Dr. Scholl wrote: "I received your request through Dr. Henry Jampel. I understand your situation and admire your enthusiasm to develop therapy for LCA due to CRB1 gene mutations." Dr. Scholl briefly described the research being performed and planned, but was not able to give a commitment as to when research for curing a defective CRB1 gene might be undertaken; nor was there any mention of their wanting to make any donation from one of their foundations toward our CRB1 Fund-Curing Retinal Blindness" as I had also requested.

Finally, given that Odd Fellowship, both Grand Lodge and the Sovereign Grand Lodge (see chapter 42 of The SGL Code of General Laws on "The Visual Research Foundation"), has Visual Research as a major program, there is an excellent opportunity for Odd Fellowship to be on the forefront of donations to our "leading edge research" toward the goal of a cure to one of our own and others afflicted with deficiency of the CRB1 gene. Please consider being part of the cure by contributing now and in the future! It should be noted, Time is of the essence! Reports from Penn indicate, the younger the patient receiving gene therapy, the better the result.

Please visit the CRB1 Fund - Curing Retinal Blindness web site for information about the fund and how you can be part of the cure. The site is managed by Kristin Smedley and she is

available to answer questions at her home on 215-364-5255, her cell 267-566-9068 or at kmsmedley@yahoo.com. You can also see the project details and get updates at the website www.crb1.org. On the site, you'll be able to see the other families she found to partner with for this massive project. Also, please read an article in this issue of the magazine covering the "Philadelphia Home for Orphans Meeting" on March 10th where Kristin was the guest speaker and presented more insight about the CRB1 Fund. Hopefully a video of Kristin's presentation may be shown at the Grand Lodge session in June.

Please pass our story on to everyone you know. If you are unable to contribute financially, we ask that you keep our families and the researchers in your prayers. God listens, we have proof.

P.O.F. DAYS GONE BY

75 YEARS AGO (May 1937)

ARCTURUS LODGES TRAVELS TO ALLENTOWN TO INSTALL - The installing staff of Arcturus Lodge #35, Philadelphia traveled to Allentown Temple last month to install the officers of Allen Ldg. #71, Lehigh Ldg. #83, Vienna Ldg. #847 and Constantine Ldg. #1113. This was done to an overflow of members in the hall. A dinner was held at a nearby restaurant. This was in the form of a banquet with the Rebekah Lodges attending. Addresses were made by attending Grand Lodge Officers and the group was entertained by "The Friendly Four" a group of traveling singing Odd Fellows of Pine Grove Lodge #148. (Editors note) - Brothers, how ironic that appears in this issue, he this month with assistance of three other Lodges, the Brothers of Vienna are hoping to crowd their walls with Odd Fellows. Odd Fellowship is alive and working. I certainly hope to see and be able to personally greet all in Allentown as we work to build bigger Lodges. See you the 19th !!!!!

LUZERNE COUNTY - The Elks Club in Wilkes-Barre served host to a gathering of 950 Odd Fellows and Rebekahs, with 150 turned away because of lack of room. There was a combined Public Installation of Officers. The DDGM & Staff install all the Luzerne County Lodges at once, following this the DDP & her staff installed the Rebekah Lodges of Luzerne County.

50 YEARS AGO (May 1962)

Brothers & Sisters this is a magazine that is missing from the Archives of Grand Lodge. Perhaps one of you have magazines put away or there is a Lodge that has cupboards or cabinets that need cleaning. Grand Lodge would be very please to accept this to complete their library

25 YEARS AGO (May 1987)

MIDDLE ATLANTIC CONCLAVE - Pennsylvania was this years host at the Embers Convention Center, Carlisle. There were five teams participating from PA along with six others. There were over 300 in attendance at the banquet.

GRAND LODGE DEGREE AT ELYSBURG - 53 Odd Fellows were in attendance. Grand Warden Ernest Nelson conferred the Degree on 21 Brothers.

(Editors note) Some of our senior members, myself included will remember the frequent "Down Limerick Lane" in our magazines by Tom Gay a member of Phoenix Lodge #212.

This magazine paid tribute to him due to his recent passing. Below was "his limerick" publish that month.

Have you ever removed old wallpaper?

Thinking it a quite easy caper?
You scraped and you steamed
While you zeal it continued to taper.

Our future seems wrapped up in ol
Our Sunday nice drive it will spoil
Unless, but of course,
We return to the horse
And thus greedy Arabs we'll foil.

Grand Lodge now will be soon in session
And I'd like you to get this impression
Everything that they'll do
Will much concern you
Attend and your views give expression
Have you had your shoe-lace in a knot
And fumbled and fumed and "got hot"
You yanked 'til it broke
For you 'twas no joke
For no extra pair have you got.

Some seem to grieve, grunt and groan
"Bout others' mistakes they will moan
If they'd just shut their eyes
They would find the surprise
The greatest mistakes are their own.

It's nice, I'm convinced, to be ODD
And not just like peas in a pod.
We can laugh - We can smile
As we do things worthwhile
For Friendship and Love is our prod.

What a beautiful month is bright May
All winter's travail washed away
Our spirits take wing
We can laugh, dance and sing
And enjoy every hour every day.

Give your Lodge all the help that you can
And I say this to you "man to man"
You will find there much pleasure
If you make this your treasure
To work and activities plan.

You fathers and grandfathers too
Here's something that you all can do
Have your sons join today
For there's no better way
With spirit your Lodge to renew.
